

ENWIN Equity, Diversity, Inclusion & Accessibility Scholarship Application Form

ENWIN Utilities Ltd. ("ENWIN") believes there is significant value in diversity and is committed to continually enhancing and promoting equity, diversity, inclusion, and accessibility in our organization and in the community we serve. ENWIN is pleased to offer four scholarships towards the recipient's post-secondary education starting in the Fall 2026 term. Applications will be accepted from any Windsor or Essex County Grade 12 student who will be attending any science, technology, engineering, or mathematics ("STEM") program at any Ontario University or College in September 2026. Each scholarship is in the amount of \$1,000. Preference will be given to applicants that self-identify as belonging to an equity deserving group, including women, persons with disabilities, Indigenous peoples, members of the 2SLGBTQIA+ community, and/or visible or racial minorities, as they are historically underrepresented and disadvantaged in their pursuit of STEM fields of study. The four successful recipients will be awarded the ENWIN Scholarships upon proof of enrolment into a qualifying program at an accredited Ontario University/College and receipt of high school graduation records and other supporting documents.

Please fill out the following application form including your high school transcript. Letters from references are also welcome. All submissions must be sent to the evaluator at the following address before **August 7th, 2026**:
