

ENWIN's 2027 Community Support Program

Important Information

- Applications submitted during the intake period are considered for funding in the upcoming calendar year.
- Completed applications must be received by November 27, 2026 at 4:00 p.m.
- Following submission, all correspondence related to your application should be directed to communitysupport@enwin.com rather than personal email accounts within ENWIN.

Community Support Fund Guidelines

1. Successful Community Support requests must demonstrate a positive impact within the communities ENWIN serves, align with ENWIN's mission, vision and values and provide opportunities to recognize ENWIN's support.
2. Support will be considered based on the intended use of funds and the extent to which the initiative directly benefits the communities ENWIN serves. Priority will be given to initiatives with a local impact.
3. Funding approvals are based on the information provided in the original application and the stated purpose of the request. If significant changes are made to the approved initiative, ENWIN reserves the right to review the request and reassess funding eligibility.
4. The following organizations, initiatives and requests are not eligible for funding through ENWIN's Community Support Program:
 - Political parties or candidates
 - Religious organizations
 - Individual public, private, or parochial schools
 - Special-interest advocacy groups
 - Sport-based organizations and teams
 - Personal sponsorships
5. Applications must be submitted during the published intake period and received by the posted deadline. Late or incomplete applications may not be considered.
6. Applications are reviewed annually and evaluated based on their alignment with ENWIN's mission, vision, values and Community Support Program objectives.
7. Applications are assessed through a fair and consistent evaluation process. Submission of an application does not guarantee funding.
8. ENWIN reserves the right to approve funding requests in whole or in part, decline funding requests, and determine funding amounts at its discretion.
9. To ensure a fair and impartial review process, any actual, potential or perceived conflicts of interest must be disclosed and managed appropriately.
10. All applicants will be notified of the outcome of their application following completion of the review process.
11. Successful applicants may be required to participate in mutually agreeable recognition activities, including photographs, announcements, social media content or other communications that acknowledge ENWIN's support.
